Dear Potential Member:

Thank **you** for attending our chapter meeting. Did you know that we offer members continuing professional education at seventy-five percent of our meetings, for free? If you join the NCSA through the Charlotte chapter, your local dues will be free until June 30, 2006, a \$25 value.

Did you know the following about our State Society?

Since 1947:

- § We have protected your right to practice accountancy in North Carolina
- § Offered affordable opportunities for continuing professional education
- § Provided networking with others in the same industry
- § Fostered the position of communicators for interaction with governmental agencies

Since 1954:

- § Proud Sponsor of the **North Carolina State University Income Tax Short Course Series**

Since 1970:

- § Established and supported the North Carolina Society of Accountants Scholarship Foundation

Since 1973:

- § A gateway to national accreditation through the **Accreditation Council for Accountancy and Taxation, Inc.**

Since 1979:

- § Proud Sponsor of the **Professional Tax Institute's Individual Income Tax Update Seminar**

Since 1995:

- § Maintained a committee to assist members with **Quality Assurance Review**

One can only highlight NCSA's accomplishments briefly in such a short letter. Come and find out for yourself how great our organization is by attending another local meeting or upcoming state event, www.ncsainc.org.

We need your help in continuing the efforts we have undertaken since 1947, help in the form of membership. Take the time to fill out the enclosed membership application and begin to enjoy the pride of belonging to such an outstanding organization.

The North Carolina Society of Accountants, Inc. is the **Affiliated State Organization** of the **National Society of Accountants** and was named the **ASO** of the Year at the **NSA** 2001 annual convention.

Thank you,

Chapter Membership Chairman
