Our Goal:

In 1947, the North Carolina Society of Accountants was founded to protect the practice rights of non-certified accountants in North Carolina. Through the on going monitoring of the NC Board of CPA Examiners, legislative meetings and interaction and through promoting continuing professional education, the NCSA continues to meet this GOAL.

The NCSA has fostered a position of communication for the North Carolina public accounting industry. Our members enjoy up-to-date information through our newsletter, local chapters and website (www.ncsainc.org).

Membership:

Throughout North Carolina, our members offer bookkeeping services, payroll tax reporting, financial statement preparation, income tax preparation, investment planning and tax strategies for both small businesses and individuals. Our members find themselves more successful and able to provide better services for their clients because of their membership in the NCSA. Would you invest in your future by joining our SOCIETY TODAY? Since 1947 we have protected your rights to practice in North Carolina. Please help us continue to meet this GOAL by applying for MEMBERSHIP TODAY!
